

Rome, 10 January 2012

Dear brothers and sisters,

We are happy to communicate to you that, in the context of the XXX Meeting of the General Governments of the Pauline Family, we have approved *ad experimentum* for three years (25 January 2012 - 25 January 2015) the *Statute of the Association of Pauline Cooperators*.

Such Statute is based on the previous editions, recognising the ecclesiology of communion and the journey of the Church on the role of the lay people and taking into consideration the acquisitions and the experience of the Pauline Family.

The Statute will be translated into the different languages and will be given to the circumscriptions of the various Congregations of the Pauline Family. In the meantime, every General Superior, with his or her own Council, will arrange for the preparation of the *Directory* and will send it to the circumscription Superiors that, with their respective Councils, will draw up their own *Regulation*.

With the approval of the Statute, we General Superiors, following the example of our Founder, Blessed James Alberione, wish to express to the members of the *Association of Pauline Cooperators* throughout the world our esteem and gratitude, in the common task of reviving, in creative fidelity, the gift received.

With affections,

Sr. Regina Cesarato
